2021 I4A Factsheet

(Source: Illinois Department on Aging 2021 Title III and VII State Program Report)

The Illinois 13 Area Agencies on Aging served 564,425 adults age 60 and over during FY 2021 or 20% of the senior population. Since the 1970s, each Area Agency on Aging has helped to build a network of aging services at the local level, incorporating the preferences of local participants.

Aging services assist older adults, their caregivers, grandparents raising grandchildren, people with disabilities, and veterans. The Area Agencies continued the initiative to reduce social isolation among older adults and their caregivers during 2021.

The Aging Network continues to provide direct assistance and support to older adults navigating the vaccination process. Area Agencies on Aging and Care Coordination Units have engaged an estimated 156,000 older adults in vaccination education and outreach, helping with transportation to vaccine clinics and arranging for in-home vaccination for homebound individuals.
