NOTES

AgeLinc is a nonprofit planning and service agency that partners with the Illinois Department on Aging to develop programs and support services for persons 60 years and older to help them live more independent, active and dignified lives. As an area wide focal point for aging issues, AgeLinc works to create an awareness of problems faced by the older population and encourages the development of services to address these problems.

Programs and services are funded by the Older Americans Act, through the Illinois Department on Aging, and with local funds from community sources.

AgeLinc does not discriminate in admission to programs or treatment of employment in programs or activities in compliance with appropriate State and Federal Statutes. If you feel you have been discriminated against, you have a right to file a complaint with the Illinois Department on Aging. For information call 1-800-252-8966 (Voice & TTY), or contact the Program Manager at AgeLinc.

Funding for this publication was provided through a Title III Older Americans Act award from the Illinois Department on Aging.
